WHAT THE WOMEN HAVE BEEN UP TO...

ANSWER KEY

On August 26, 2023, the Women's Department hosted its first Chat & Chew themed "Let's Talk About It". This event was specifically designed for the young ladies of our church. The young adults, teens and girls left the event full of smiles, laughter, hope, and excitement. It was a wonderful time of fellowship, conversation, and delicious food! The Women's Department was delighted to engage our young people who shared ways the church can bridge the generational gap and cultivate mentorship. The ladies ended the Chat & Chew with a few rounds of Double-Dutch jump rope – our First Lady Natoya even got in on the action and jumped a few times. Due to popular demand, another Chat & Chew is on the horizon!

On Friday, October 6th the Women's Department hosted an overnight shut-in. Words cannot express the mighty move of God throughout the occasion. It was a peaceful yet empowering night/early morning of prayer, worship, and praise. All ages attended, including a few guests from other churches. We had a great time in the Lord and look forward to the next Shut-In!

The Women's Department would like to thank our pastor Bishop Uleses Henderson, Jr., all the prayer warriors and moderators, music department, sound engineer, hospitality team, and security professionals. The Shut-In was a great success because of their efforts and support!
